

NOMINATION FORM FOR EXEMPLARY SCIENCE TEACHER AWARD

Each year, the Montgomery County Science Teachers Association Executive Board has the pleasure of recognizing an outstanding science teacher from Montgomery County at the elementary, middle and high school levels. We wish to make it as easy as possible to get nominations for these awards. If you know of a colleague that you think should be recognized, or if you wish to nominate yourself, please fill in the information below (both pages) and submit this form to MCSTA in person or email (rwolff@cheltenham.org)

Name of nominee: \_\_\_\_\_

Email address of nominee: \_\_\_\_\_

School where nominee is employed: \_\_\_\_\_

Teacher Recognition Committee

MCSTA

**Directions:** All nominations will be reviewed by members of the MCSTA Executive Board. This committee will then notify the winner the following September and winners are invited to the October mini-conference where they will be announced. Winners are also invited to MCSTA 's end of the year dinner where they will receive a plaque commemorating their achievement. Feel free to include any other information that you think makes this teacher special as a separate attachment, or on the back.

Highly effective teachers engage students using multiple techniques. How does your nominee go above and beyond to engage students?

---

---

---

---

An exemplary teacher will use multiple assessment methods to ensure that quality learning has taken place, how does your nominee measure that his/her students are learning?

---

---

---

---

An excellent teacher adjusts or varies instruction to accomodate for different learners. Give examples of how your nominee uses technology, instructional goals, lab experiences, etc... to vary instruction.

---

---

---

---

A modern teacher connects his/her content across multiple levels. How does your nominee integrate instruction to other subject areas and real world experiences?
